Twenty Years and Counting

This spring, Another Octave celebrated 20 years of singing and socializing at our spring concert, **20!** The concert featured our favorite songs from the last 20 years. What were your favorites?

A lot has changed over the last 20 years, and we hope to keep growing and improving over the next 20 as well. This year we began auditioning chorus members and our artistic staff made it clear when we were expected to be off-book. I think you'll agree the little bit of extra work resulted in a fantastic concert! We're looking forward to another great season and concert this fall. We'll continue to perform at other venues as well, so check your email for mid-season notices.

Kerry Johnson, a chorus member since 1996, is leaving us this summer to make a new home in North Carolina. Besides singing as an Alto 2, she has served on the board as the treasurer and as member at large, as well as devoted countless hours organizing and running events. For many years, she has also been the production maven, making sure everything runs smoothly behind the scenes at each concert. Most importantly, Kerry has been a wonderful friend. We'll miss you, Kerry!
